Tualatin High is an exceptionally comprehensive school which opened in 1992 and which has consistently sent 80% of its graduates to post secondary education (the majority to four-year schools).

Our school's TAG (Talented and Gifted) population has averaged 18-20% as compared to the national average of 2.64%. We have responded by building a large International Baccalaureate program for any students who wish to take the most challenging curriculum available. SAT scores have averaged 1100 for past three years. The class of '98 had the largest number of National Merit Scholars of any high school in Oregon.

While we are proud of our accomplishments as measured by the traditional benchmarks of achievement, we have also been in the forefront in our efforts to achieve the new state standards.

Our state CIM multiple choice math scores were the third highest in the state in 2000.

Our school is also proud of its strong activity and athletic programs that have resulted in League Championships in every OSAA sanctioned sport and three state and one national championship in cheerleading.

Our school features a wide array of clubs and a strong student leadership program which has as one of its extended activities the ongoing mentoring of freshmen.

**Tualatin High
Demographics**

Tualatin High has been singled out for achievements in music and fine art, having twice placed the largest number of students in the State Honor Band. Fine arts students from the class of '99 won nearly \$500,000 in scholarships to art schools.

We have benefitted from strong local support and are especially thankful to parents for their support of the Local Option funding measure which has helped to offset some of the cuts which resulted from Ballot Measure #5.

Hazelbrook Middle School strives to provide programs for students that are consistent with recognized middle school philosophy and practices. Our "schools within the school," 6th grade interdisciplinary teams and advisory groups provide small communities for learning.

At Hazelbrook, the required curriculum includes: language arts/social studies block, math, science, physical education and health. Elective and exploratory programs in second languages, fine arts, performing arts and applied arts are offered to students at all three grade levels. Computer technology enhances instruction and student learning.

After-school activities provide interest clubs, intramurals and performance opportunities for all students. Students also participate in a variety of leadership and service learning activities.

Teachers, administrators, students, parents and community members share in decision-making. The site council is actively involved in school improvement efforts.

For the current school year, Goals 2000 grant funds for math are supporting teacher training and increased student achievement.

At Hazelbrook:

- We are committed to young adolescents;
- We strive for academic success for all students;

**Hazelbrook
Demographics**

- We have an adult advocate for every student;
- We encourage family and community partnerships;
- We provide a positive, safe school climate for teaching and learning.

Our mission statement is: Hazelbrook Middle School:
A Safe, Respectful Community for

Mrs. Carole Biskar

Tualatin Elementary has a long tradition of being a friendly and welcoming place for all students and their families.

The entire staff takes the responsibility for student learning seriously. As part of a comprehensive education, we also provide full-time specialists in music, ELL (English Language Learners) and P.E. as well as a computer lab, library, Head Start program and full-time counseling services.

Strong partnerships with community members and with parents is an integral, positive part of our students' education. We have more than 75 SMART (Start Making a Reader Today) volunteers, OASIS volunteers, a strong site council and active PSO.

Four school improvement goals drive decisions we make in teacher training, curriculum planning and goal setting. They are: to increase the percentage of students who meet or exceed our state benchmarks in reading and math, apply technology to student learning and assessment and continue our focus on school safety and creating a safe learning environment.

We are pleased our students made such noticeable growth after two years using the new reading adoption of Open Court. There has been a trend of improvement in both reading and math over the past few years. We also offer an after school reading and

Children are encouraged to be reasonable, responsible and respectful. Each morning on our radio show, students are reminded about these areas and what they mean in relation to all of the things we do at school. Our school-wide behavior plan places an emphasis on using Love and Logic.

Tualatin Demographics

Many of our teachers have become leaders in curriculum and instruction--not only teaching others on our staff, but also in the district.

We realize the parent is the child's first and most important teacher. We are proud of our families, volunteer community, staff and traditions that make our school a special place. We are especially proud of our students for their hard work and contributions that make Tualatin a wonderful school. We truly have great kids. Please read about our school, staff and programs by visiting our **school web pages**.

Principal:

Mr. Gordon Hickey

Bridgeport Elementary has a very positive atmosphere for all students, their families and community members. We are dedicated to the continual improvement of our school's instructional programs as well as the development of the whole child. Our mission statement is: "Together, we inspire lifelong learning, self-worth and responsible decision-making."

Welcome from
Principal!

For the 1999-2000 school year, Bridgeport's reading goal was "to increase the number of students who meet or exceed the state benchmarks in literal, inferential and evaluative comprehension." We also *focused on limiting the number of students who did not meet reading benchmarks to no more than 15%.* We were able to meet both goals in Grade 3, but not in Grade 5.

Bridgeport Calendar

In mathematics, our goal was "to increase the number of students who meet or exceed the state standard in measurement." We also focused on limiting the number of students who did not meet math benchmarks to no more than 20%. While we showed improvement in the number of 3rd graders who reached benchmarks, we did not reach these goals.

Bridgeport Library

What's for Lunch?

This year, teachers are again concentrating their efforts on improving student achievement in both subject areas.

Another major focus has been the continuation of our goal of providing a safe and positive school

environment. The Effective Behavioral Support team helps teachers implement strategies to improve student behavior. Each week, students are recognized for "Doing the Right Thing" and demonstrating specific skills such as perseverance, caring, humor, effort initiative, etc.

Bridgeport Elementary has a wonderful Parent Student Organization (PSO) which promotes and funds a wide variety of programs throughout the school year. Their activities directly benefit our students. Our intent is to develop a strong community of learners who work together to help all of our students develop their skills to be responsible citizens in a changing society.

Principal:

Mr. Rick Patrick

Welcome from Principall

Edward Byrom Elementary School is proud of the recent state designation as an "exceptional school." Our staff, students and parents have worked together to create an environment where clear goals for achievement are established and action plans are developed to help us reach those goals. The fact that our student performance is rated as having improved over time is a strong indication this continues to be a source of pride for the Byrom students.

Parents are very involved at Byrom. We led the district in hours volunteered again last year with over 8500 hours. This year, we are planning to again improve achievement for each child entering our school community.

Byrom Calendar

Our PSO is active in providing funding for a variety of programs from mostly cultural assemblies to Art Literacy to a teacher's "wish list." The parents on site council have completed extensive analysis of test score data to assist teachers ensure each child is reaching their learning potential.

Byrom Library

What's for Lunch?

To help students needing additional assistance in reaching grade level standards, we have an 6-week extended school day program as well as a summer program in reading for our kindergarteners and first graders. Other extra curricular programs include chess club, Mad Science and Spanish classes. This

year, we will serve over 90 students with our Talented and Gifted program, and maintain a half time curriculum and instruction specialist.

Edward Byrom is a school where the entire community---staff, parents and students--work together to help all children succeed.

Chief's Message

Kent Barker, Chief of Police

Welcome to the Tualatin Police Department web page. This page provides general information about our team at the Tualatin Police Department. It is my hope that the information we provide will help you become more familiar with how our department operates and the services we can provide.

The men and women of the Tualatin Police Department are dedicated to the safety of our community and excellence in customer service. Our team consists of 34 sworn officers and an additional 7 professional staff members providing excellent support to the department. In addition to our paid staff, our team is supplemented by dedicated volunteers who volunteer their own time in the capacity of reserve officers, explorers, office assistants

and chaplain.

Our team would not be complete without the support from our community. Members of our community have generously supported our efforts to keep the City of Tualatin a safe place to live and work. As we continue to work together and develop future partnerships, we will continue to be successful with our fight against crime.

As the Chief of Police, I will continue to listen to the needs of our community, evaluate crime trends, and respond in the most efficient and effective manner possible with our available resources. I am always open to new and innovative ideas to improve police services. If you have any comments or ideas you would like to share with our team, please feel free to call or email me at the office. My office number is 503-691-4800 or you can email me at kbarker@ci.tualatin.or.us.
Kent W. Barker,
Chief of Police
